Dear Parent / Guardian,

Your child has a place at school during this period of national lockdown. Please see the information below regarding the arrangements for this.

Drop off time will be between 8.45 - 8.50am on the playground via the Derby Street entrance only. Please stay with your children until they are safely in the school building. Please note that the Whitely Street gate will not be open during the lockdown period.

Collection in the afternoon will be at 3pm from the playground.

All children must wear school uniform as normal. They will be in the classrooms with their usual year group teachers and teaching assistants.

The 'drop and go' and 'one parent' policy will still be in place on the school yard and all adults are asked to wear masks on site.

Please adhere to social distancing rules when on the yard - this is very important to keep our school community safe and well.

If your child or anyone in your household is displaying COVID symptoms please DO NOT attend school. Your whole household must then isolate and the person with symptoms must be tested.

Please be aware that children will not receive face-to-face teaching but will be supported by staff to complete the remote learning that other children are completing at home.

Mrs R Howarth
