Dear Parents/ Guardian,

We have reviewed the way that we provide homework after feedback from parents, children and staff. After half term, older children in Key Stage 2 will have all of their homework tasks listed on Google Classroom while younger children in Key Stage 1 will receive a paper copy of their homework.

The most important thing you can do to help your child make good progress in school is to ensure that your child reads as often as possible at home. Even older children need reading practice on a daily basis to become fluent readers.

Your child is expected to complete the following homework:

Year 1 and 2	Year 3, 4, 5 and 6
<ul style="list-style-type: none">• 20 minutes of reading per day• 5 minutes of Numbots or Times Tables Rockstars a day (Y2 only)• Learn their weekly spellings• Learning knowledge organisers following the revision schedule they have received from their teacher• Practising choral speaking poems prior to choral speaking assemblies	<ul style="list-style-type: none">• 20 minutes of reading per day• 5 minutes of Times Tables Rockstars per day (online)• Learn their weekly spellings• Learning knowledge organisers following the revision schedule they have received from their teacher• Weekly online quizzes using Carousel (your child will be shown how to access these)• Practising choral speaking poems prior to choral speaking assemblies

Reminders regarding this homework (and any additional homework tasks) will be communicated via a paper copy for children in Key Stage 1 and via Google Classroom for children in Key Stage 2. If your child has any difficulty in accessing their homework online, please contact your child's class teacher.

Yours sincerely,

Mr Percival and Miss Rennie
